The family is important to people all over the world although the structure of the family is quite different from one country to another. In the United States, as in many countries in the world, the family is changing. A generation or two ones , the traditional family , in which the father was boss , was customary.

Nowadays, the modern family , in which both the father and the mother are equal partners , is very common. Although there are several similarities between the traditional and the modern family, there are also some important differences. The traditional husband was the head of the household because he was the only one who worked outside the home . If the wife worked for pay, then the husband was not considered to be a good provider. In many families , both husband and wife work for pay. Therefore, they share the role of the head of the household together.
