

A. PHẦN TRẮC NGHIỆM: (Học sinh làm bài bằng bút chì) (8 điểm)

Read the following passage and mark the letter A, B, C or D on your answer sheet to choose the word or phrase that best fits each other numbered blanks.

Until the 19th century, the denial of equal rights to women met with only occasional protest and drew little attention from most people. Because most women lacked the (1) _____ and economic resources that would enable them (2) _____ the prevailing social order, women generally accepted their inferior status as their only option. At this time, women shared these disadvantages with the majority of working-class men, as many social, economic, and political (3) _____ were restricted to the wealthy elite. In the 19th century, as governments in Europe and

North America began to draft new laws guaranteeing equality among men, significant numbers of women – and some men – began to demand that women be accorded equal rights as well. At the same time, the Industrial Revolution in Europe and North America further divided the roles of men and women. Before the Industrial Revolution most people worked in farming or crafts-making, both of (4) _____ took place in or near the home. Men and women usually divided the numerous tasks among themselves and their children. Industrialization led male workers to seek employment outside of the home in factories and other large-scale enterprises. The growing split between home and work reinforced the idea that women's "rightful place" was in the home, while men belonged in the public world of employment and (5) _____.

Question 1.

A. education B. educational C. educationally D. educate

Question 2.

A. challenged B. challenge C. to challenge D. challenging

Question 3.

A. advantages B. rights C. opinions D. signatures

Question 4.

A. that B. who C. what D. which

Question 5.

A. economics B. politics C. statistics D. physics

Mark the letter A, B, C, or D on your answer sheet to indicate the underlined part that needs correction in each of the following questions.

Question 6. It is childbearing which is the women's most wonderful role.

A. wonderful B. most C. is D. which

Question 7. The more he drank, the most violent he became.

A. the most B. The more C. became D. drank

Question 8. When you will arrive, there will be someone to meet.

A. to meet B. When C. will arrive D. will be

Question 9. When you are finished using the computer, can you please turn it on?

A. on B. using C. When D. can

Question 10. Does Mary feel best today than she did yesterday?

A. Does B. best C. feel D. did

Mark the letter A, B, C, or D on your answer sheet to indicate the word which differs from the other three in the position of the primary stress in each of the following questions.

Question 11.

A. human B. involve C. suffer D. simple

Question 12.

A. memory B. attitude C. conference D. tsunami

Read the following passage and mark the letter A, B, C, or D on your answer sheet to indicate the correct answer to each of the questions.

The World Health Organization (WHO) is a specialized agency of the United Nations that acts as a coordinating authority on international public health. Established on 7 April 1948, and headquartered in Geneva, Switzerland, the agency inherited the mandate and resources of its predecessor, the Health Organization.

The WHO's constitution, states that its objective is "the attainment by all peoples of the highest possible level of health." Its major task is to combat diseases, especially key infectious diseases, and to promote the general health of the people of the world. The WHO also sponsors programs to prevent and treat serious epidemics such as SARS, malaria, and AIDS. The WHO supports the development and distribution of safe and effective vaccines, pharmaceutical diagnostics, and drugs. After over 2 decades of fighting smallpox, the WHO declared in 1980 that the disease had been eradicated - the first disease in history to be eliminated by human effort.

The WHO is nearing success in developing vaccines against malaria and aims to eradicate polio within the next few years. The organization has already endorsed the world's first official HIV/AIDS Tool kit for Zimbabwe making it an international standard. In addition to its work in eradicating disease, the WHO also carries out various health-related campaigns, for example, to boost the consumption of fruits and vegetables worldwide and to discourage tobacco use.

Experts met at the WHO headquarters in Geneva in February 2007 and reported that their work on pandemic influenza vaccine development had achieved encouraging progress. More than 40 clinic trials have been completed or are ongoing. Most have focused on healthy adults. Some companies, after completing safety analyses in adults, have initiated clinical trials in the elderly and in children. All vaccines so far appear to be safe and well-tolerated in all age groups tested.

Question 13. The World Health Organization (WHO) _____.

A. has no relation to the United Nations
B. has no predecessor
C. works on international public health
D. only takes care of Swiss people

Question 14. Which is NOT mentioned in the second paragraph 'as the tasks of the World Health Organization?

A. to supply food for patients.
B. to promote the general health of everyone in the world
C. to combat diseases
D. to support pharmaceutical diagnostics, and drugs

Question 15. According to the text, which disease has been eradicated?

A. Malaria B. AIDS C. SARS D. Smallpox

Question 16. According to the third paragraph, the World Health Organization _____.

A. also carries out various health-related campaigns
B. is trying to eradicate polio
C. has not developed vaccines against malaria yet
D. is not concerned about polio

Question 17. Influenza vaccine _____.

A. has appeared to be safe in all age groups tested
B. causes bad effects on children and elderly people
C. cannot be used for children
D. has only been used for adults

Mark the letter A, B, C, or D to indicate the word whose underlined part differs from the three in pronunciation in each of the following questions.

Question 18.

Question 37. All people are equal, deserving the same rights as each other.

A. similar B. different C. same D. alike

Question 38. Sue was offered a job as a translator, but she turned it down.

A. refused B. accepted C. appeared D. ignored

Mark the letter A, B, C, or D on your answer sheet to indicate the word(s) CLOSEST in meaning to the underlined word(s) in each of the following questions.

Question 39. The Food Standards Agency advocated a ban on advertising junk food to children.

A. discouraged B. opposed C. competed D. supported

Question 40. Sorry, I'm late. The car broke down on the way here.

The World Health Organization (WHO) is a specialized agency of the United Nations that acts as a coordinating authority on international public health. Established on 7 April 1948, and headquartered in Geneva, Switzerland, the agency inherited the mandate and resources of its predecessor, the Health Organization.

The WHO's constitution, states that its objective is "the attainment by all peoples of the highest possible level of health." Its major task is to combat diseases, especially key infectious diseases, and to promote the general health of the people of the world. The WHO also sponsors programs to prevent and treat serious epidemics such as SARS, malaria, and AIDS. The WHO supports the development and distribution of safe and effective vaccines, pharmaceutical diagnostics, and drugs. After over 2 decades of fighting smallpox, the WHO declared in 1980 that the disease had been eradicated - the first disease in history to be eliminated by human effort.

The WHO is nearing success in developing vaccines against malaria and aims to eradicate polio within the next few years. The organization has already endorsed the world's first official HIV/AIDS Tool kit for Zimbabwe making it an international standard. In addition to its work in eradicating disease, the WHO also carries out various health-related campaigns, for example, to boost the consumption of fruits and vegetables worldwide and to discourage tobacco use.

Experts met at the WHO headquarters in Geneva in February 2007 and reported that their work on pandemic influenza vaccine development had achieved encouraging progress. More than 40 clinic trials have been completed or are ongoing. Most have focused on healthy adults. Some companies, after completing safety analyses in adults, have initiated clinical trials in the elderly and in children. All vaccines so far appear to be safe and well-tolerated in all age groups tested.

Question 1. The World Health Organization (WHO) _____.

- A. works on international public health
- B. has no predecessor
- C. only takes care of Swiss people
- D. has no relation to the United Nations

Question 2. Which is NOT mentioned in the second paragraph as the tasks of the World Health Organization?

- A. to promote the general health of everyone in the world
- B. to support pharmaceutical diagnostics, and drugs
- C. to supply food for patients.
- D. to combat diseases

Question 3. According to the text, which disease has been eradicated?

- A. Smallpox
- B. SARS
- C. Malaria
- D. AIDS

Question 4. According to the third paragraph, the World Health Organization _____.

- A. also carries out various health-related campaigns
- B. is trying to eradicate polio
- C. is not concerned about polio
- D. has not developed vaccines against malaria yet

Question 5. Influenza vaccine _____.

- A. cannot be used for children

- B. has only been used for adults
- C. has appeared to be safe in all age groups tested
- D. causes bad effects on children and elderly people

Mark the letter A, B, C, or D on your answer sheet to indicate the word(s) OPPOSITE in meaning to the underlined word(s) in each of the following questions.

Question 6. Sue was offered a job as a translator, but she turned it down.

- A. accepted
- B. appeared
- C. ignored
- D. refused

Question 7. All people are equal, deserving the same rights as each other.

- A. different
- B. alike
- C. same
- D. similar

Mark the letter A, B, C, or D on your answer sheet to indicate the underlined part that needs correction in each of the following questions.

Question 8. The more he drank, the most violent he became.

- A. became
- B. drank
- C. the most
- D. The more

Question 9. It is childbearing which is the women's most wonderful role.

- A. is
- B. most
- C. wonderful
- D. which

Question 10. When you are finished using the computer, can you please turn it on?

- A. can
- B. on
- C. using
- D. When

Question 11. Does Mary feel best today than she did yesterday?

- A. feel
- B. did
- C. Does
- D. best

Question 12. When you will arrive, there will be someone to meet.

- A. to meet
- B. When
- C. will be
- D. will arrive

Mark the letter A, B, C, or D on your answer sheet to indicate the word(s) CLOSEST in meaning to the underlined word(s) in each of the following questions.

Question 13. Sorry, I'm late. The car broke down on the way here.

- A. read carefully
- B. fell asleep
- C. fully discussed
- D. stopped working

Question 14. The Food Standards Agency advocated a ban on advertising junk food to children.

- A. competed
- B. supported
- C. discouraged
- D. opposed

Mark the letter A, B, C, or D on your answer sheet to indicate the word which differs from the other three in the position of the primary stress in each of the following questions.

Question 15.

- A. involve
- B. simple
- C. human
- D. suffer

Question 16.

- A. attitude
- B. conference
- C. tsunami
- D. memory

Mark the letter A, B, C, or D to indicate the word whose underlined part differs from the three in pronunciation in each of the following questions.

Question 17.

- A. teacher
- B. protect
- C. politics
- D. initiate

Question 18.

- A. interfered
- B. allowed
- C. visited
- D. played

Read the following passage and mark the letter A, B, C or D on your answer sheet to choose the word or phrase that best fits each other numbered blanks.

Until the 19th century, the denial of equal rights to women met with only occasional protest and drew little attention from most people.
