**Grammar:****Used to – would: đã từng**

Used to + Verb – bare infinitive

Would + Verb – bare infinitive

- Chúng ta sử dụng **used to** và **would** để nói về những thói quen và tình huống khác trong quá khứ. (*His family **used to** be extremely poor. - When he was young, he'd spend time studying medicine.*)
- Với động từ trạng thái, chúng ta dùng **used to**, không dùng **would** (*He **used to** love reading. ~~He would love reading.~~*)
- Chúng ta **tránh sử dụng would** với câu hỏi và câu phủ định. (*Did he use to play with cars and dolls? ~~Would he play with cars and dolls?~~*)
- Khi chúng ta nói một thói quen hoặc tình huống trong quá khứ kéo dài bao lâu, ta dùng **thì quá khứ đơn**, không dùng **used to**, **would**. (*He went to college for five years. ~~He used to / would go to college for five years.~~*)
