a small hotel.

I live and work on the island of Gigha in the west of Scotland. Only 20 people live there but in summer, 150 tourists come by boat every day.

Every weekday I get up at 6:00 and make breakfast for the hotel guests. At 8.00 I drive the island's children to school. At 9:00 I collect the post from the boat and deliver it to all houses on the island. I also deliver beer to the island's only pub. Then I help Margaret in the shop.

My wife likes being busy, too. We never have holidays and we don't watch television. In the evenings Margaret makes supper and I do the accounts. At 10:00 we have a glass of wine and then we go to bed. Perhaps our life isn't very exciting, but we like it.
