Today, supermarkets are found in almost every large city in the world. But the first supermarket (114) \_\_\_\_\_ opened only fifty years ago. It was opened in New York by a man named Michael Cullen. A supermarket is different (115) \_\_\_\_\_ other types of stores in several ways. In supermarkets, goods are placed on open shelves. The (116) \_\_\_\_\_ choose what they want and take them to the checkout counter. This means that fewer shop assistants are needed than in other stores. The way products are displayed is another difference between supermarkets and many other types of stores; (117) \_\_\_\_\_ example, in supermarkets, there is usually a display of small inexpensive items just in front of the checkout counter: candies, chocolates, magazines, cheap foods and so on. Most customers (118) \_\_\_\_\_ go to a supermarket buy goods from a shopping list. They know exactly what they need to buy. They do the shopping according to a plan.

Many parents are worried about the bad effects of television, especially those on their children. Firstly, there are a lot of violent films which may lead (119) \_\_\_\_\_ crimes. Secondly, advertising is not always good (120) \_\_\_\_\_ children. They see so many advertisements for sweets, ice creams, and toys; and these advertisements make them (121) \_\_\_\_\_ to go and buy unnecessary things at once. Thirdly, sitting in front of a television set for a long time is bad for their eyes. About one third of children wear glasses. (122) \_\_\_\_\_, watching television is not creative. It is very important for children to do something creative and athletic, (123) \_\_\_\_\_ playing some musical instrument, painting pictures, or playing football.
